Membership fees are payable on or before the first tournament. If you are not attending the first tournament, all membership forms and checks are due **NO LATER than Nov. 1<sup>st</sup>**. Schools are responsible to fill out the registration card completely and have it signed by your school principal. Membership will not be accepted without the principal's signature. If a school has more than two coaches, it must designate which is the coach to whom we should send mailings or emails. We will not be sending out double mailing/emails to a single school. Coaches are asked to share any information received with their other coaches. An asterisk next to the name will be sufficient. Also, please make sure that the coaches list their home address, email address and home phone number on the back of the card. There are times when we might need to contact coaches at home.

If you plan to mail the registration card and your check, please send it to:
